

The One Stop Shop For Your Hardware Needs

COMPANY PROFILE

Extol Mechanical Equipment Trading is a joint venture company serving the construction industry in the country since the early nineties, its inception we have contributed significantly to the growth and building of infrastructure in the UAE, earning an unmatched reputation as an innovative and quality conscious company

Our main store is located in mussaffah industrial area, including two showrooms. All of these stores are equipped with latest machinery to handle various building materials. We have professionally qualified and experienced engineers and supporting team.

Our Mission

Extol Mechanical Equipment Trading mission is to maintain a high standard of ethics in the conduct of business; to serve customer's needs better than their expectations; to protect the environment and nation and to prosper and grow by fulfilling the needs of customers.

Focus on Quality

Extol Mechanical Equipment Trading, quality is a full time commitment with us. Our committed focus on quality enables us to consistently provide product and service that meet customer's and applicable regulatory equipment's.
